

Data-Sheet

FZx12 Camera

Just connect it and works. Simplicity, efficiency, and good performance. The walogy FZx12 have been designed to work hardy, with a very low heat and less than 0.5A consumption.

With its Full HD 1920x1080 Resolution and Tamron high quality lens with 12x optical zoom.

High quality HD CMOS Panasonic sensor with 1/2.7" and 2.07 Million effective Pixels

Low Light, High SNR CMOS sensor combined with 2D & 3D noise reduction algorithm reduce the noise even under low illumination conditions.

Connections

3G-SDI Video input

1x 75Ω BNC SMPTE 424M

Audio Interface

1x 3.5mm Audio Line IN
1x 3.5mm Audio Line OUT

Network Interface

RJ45 10M/100M

Power LED

1x JEITA DC 12v

Control

Visca / Pelco D / Pelco P

Specifications

Video System

720p 25/30/50/60
1080i 50/60
1080p 25/30
1080p 50/60

Sensor

1/ 2.7" CMOS
Effective Pixel 2.07M

Scanin Mode

Progressive

Horizontal Angle of view

60.7° ~3.36°

Vertical Angel of View

34.1° ~1.89°

Minimal Illumination

YO.05 Lux @(F1.8 AGC ON)
